Get a quick taste of our subjects and find out more about them before you make your choice!

# STEM

(SCIENCE, TECHNOLOGY,  
ENGINEERING & MATHS)

## Subject.....Biology

**Vision:** "Biology is the study of complicated things that have the appearance of having been designed with a purpose."  
– Richard Dawkins

**Reading:** New Scientist, or any popular science book, for example Adventures of a Young Naturalist (David Attenborough) or Brain: The Story of you (David Eagleman).

**Browsing:** [www.newscientist.com](http://www.newscientist.com)

**Listening:** Inside Science (Radio 4).

**Watching:** Any episodes of Planet Earth or documentaries by David Attenborough, Gattaca.

**Advice:** Be prepared for independent learning! Revise from the beginning!

**Summer Task:** Write a short essay (a few sides of A4) describing and explaining the route of food through the digestive system. Focus should be on the molecules themselves and how they are broken down and then absorbed.

## Subject.....BUSINESS

**Reading:** New Scientist

**Browsing:** [www.a-levelchemistry.co.uk](http://www.a-levelchemistry.co.uk), [www.chemguide.co.uk](http://www.chemguide.co.uk)

**Listening:** Inside Science (Radio 4)

**Watching:** [www.a-levelchemistry.co.uk](http://www.a-levelchemistry.co.uk)

**Advice:** Independent study is essential! Learn more of the truth about Chemistry.

**Summer Task:** (a) State the meaning of the term electronegativity.

---

---

(b) State and explain the trend in electronegativity values across Period 3 from sodium to chlorine.

Trend \_\_\_\_\_

Explanation \_\_\_\_\_

(c) What is meant by the term first ionisation energy?

---

---

# Subject.....Computing Science

**Vision:** "Computer science is no more about computers than astronomy is about telescopes." - Edsger Dijkstra

**Reading:** Python for GCSE by Patrick Dawkins

**Browsing:** Computing at Schools. Littleman computer (download), Python Version 3.6 (download), Khan academy (website), Code Academy (website)

**Watching/Listening:** The digital human (Radio 4).

**Advice:** Computing is not an easy option, the course is rigorous, we will support you but you must be 100% committed.

**Summer Task:** Program a text based quiz in Python or another language of your choice, which makes use of a graphical user interface (GUI) such as Tkinter.

**Resources:** [www.codecademy.com/learn/learn-python-3](http://www.codecademy.com/learn/learn-python-3) [www.tutorialspoint.com/python/index](http://www.tutorialspoint.com/python/index)

**Listening:** BBC News

**Watching:** BBC Planet Earth

**Advice:** 'What lies behind us and what lies before us are tiny matters compares to what lies within us' – Ralph Waldo Emerson

**Summer Task:** You need to design and carry out a geographical fieldwork investigation over the holidays and then prepare a short powerpoint or google slides presentation to demonstrate your planning and show your findings. Your investigation can be on anything at all that is geographical and can be carried out anywhere in the world (at home or perhaps a holiday destination).

**HINT** - read this document for some amazing tips [www.rgs.org/nea](http://www.rgs.org/nea)

Your must include the following and each must be one slide on your presentation:-

- A research question and why you chose this
- At least two primary data collection methods and why they were appropriate for your investigation
- At least two secondary data collection methods and why they were appropriate for your investigation
- Results – this must be presented with at least four data presentation methods and a description of what each show
- Conclusions – what do your results tell you and answer your question
- Evaluation – what could be done better next time?

# Subject.....Maths

**Vision:** "Every culture has contributed to maths just as it has contributed to literature. It's a universal language; numbers belong to everyone." – Daniel Tammet

**Reading:** The Num8er My5teries: A Mathematical Odyssey Through Everyday Life

Watching: This is Modern Art-Series (Youtube)

Advice: "One can have no smaller or greater mastery than mastery of oneself." – Leonardo da Vinci

Summer Task: See separate insert.

## Subject.....Drama

Vision: "Drama is life with the dull bits cut out." – Alfred Hitchcock

Reading: [www.bbc.co.uk/arts](http://www.bbc.co.uk/arts)

Browsing: [www.thoughtco.com/profile-of-sophodes-121067](http://www.thoughtco.com/profile-of-sophodes-121067)

Listening: [www.bbc.co.uk/iplayer/categories/arts/highlights](http://www.bbc.co.uk/iplayer/categories/arts/highlights)

Watching: Splendid's Antigone.

Advice: Make use of a dictionary and an encyclopaedia; they are great resources.

Summer Task: Choose an area of theatre design: Lighting, Sound, Costume or Set. Research the stalls required in each design area.

How do designers plan their work? Select a play text.

Lighting - Choose a scene. Create a lighting plan. Draw a plan of your lighting rig.

Sound - Create a SFX we sheet for your chosen scene.

Costume – Design and draw a costume for a character.

Set- Draw your set for a chosen scene. You could alternatively make a scale model.

All designs should be annotated and where appropriate, use colour and scale .

## Subject.....English Language

Vision: "The English language is nobody's special property. It is the property of the imagination: it is the property of the language itself." – Derek Walcott

Reading: Language and Representation in Language-a student handbook Alison Ross Language and Identities Carmen Llamas and Dominic Watt.

Browsing: [www.languageatinternet.org](http://www.languageatinternet.org)

Watching: [www.teachit.co.uk](http://www.teachit.co.uk)

Advice: None of us are superhuman, so it's important to realise that you can't maintain an optimum level of concentration without giving yourself some time to recover from the work you've put in.

Summer Task: How does language change according to its use in different social groups (occupation, gender, regional/national dialects)

Aa

## Subject.....English Literature

Vision: "Books are the carriers of civilization. Without books, history is silent, literature dumb, science crippled, thought and speculation at a standstill." – Barbara Tuchman

Browsing: [www.ocr.org.uk/qualifications/as-and-a-level/english-literature-h072-h472-from-2015/](http://www.ocr.org.uk/qualifications/as-and-a-level/english-literature-h072-h472-from-2015/)

Listening: Bleak House. The Women in White, Cranford, Casablanca, 12 Years a Slave.

Watching: Lincoln, The Aviator, Oliver Twist, The Young Victoria, Effie Gray.

Advice: Your attitude has a big impact on the effectiveness of your learning process. If you keep saying that you can't do it and won't commit to the idea of learning, attempting to study is only likely to become more difficult. Instead, focus your mind on positive outcomes and on how you can use your own individual strengths to achieve them.

Summer Task: Read 'Heart of Darkness' by Conrad.

## Subject.....Film

Vision: "I love escaping into film, because everyday life I find quite troublesome. So any excuse to go into a cinema and say goodbye to the world for a couple of hours, or in a book or whatever, is great." – Alison Goldfrapp

Reading: The WJEC/Eduqas book "Film Studies for A/S Level and A Level. By Lisa Wardle

Browsing: [www.mediaknowall.com](http://www.mediaknowall.com)

Browsing: [www.mediaknowall.com](http://www.mediaknowall.com)

Listening/Watching: Any film, reading a magazine, watching TV shows or listening to the radio!

Advice: This is a good point in time to select a couple of study partners who you know you work well with and are motivated to achieve good grades also.

Summer Task: Write two sides of A4 on your favourite TV programme, music video or magazine. Try to write about how the producers use that text to create meaning for the audience? What and who is being shown in the text; is there any hidden meaning? What do you think the purpose of the text is, what do we learn?

# Subject.....Photography

Vision: "Photography for me is not looking, it's feeling. If you can't feel what you're looking at, then you're never going to get others to feel anything when they look at your pictures." – Don McCullin

Reading: Photography foundations for art and design.

Browsing: [www.vam.ac.uk/collections/photographs](http://www.vam.ac.uk/collections/photographs)

Listening: [www.bbc.co.uk/iplayer/categories/arts/a-z](http://www.bbc.co.uk/iplayer/categories/arts/a-z)

Watching: The Genius of Photography (Youtube).

Advice: Enjoy the learning process. The best part of pursuing a subject like photography is never running out of things to learn. Inspiration is all around you. Look at everything with the eyes of a photographer and you'll see opportunities you never noticed before.

Summer Task: You will need a camera to do the practical part of this task.

You are to respond to each of the 'formal elements' that are listed below, through your own photographs.

Take a minimum of 10 photographs for each of the 'formal elements' with the greatest amount of control and creativity that you can.

- Line.
- Shape.
- Form.
- Texture.
- Pattern.
- Colour.
- Space.
