ENRICHMENT SPOTLIGHT:

Combined Cadet Force (RAF)

The CCF (RAF) is the RAF section of the Combined Cadet Force. There are 230 RAF Sections with approximately 9000 cadets and 700 adult volunteers. The CCF (RAF) aims to offer an exciting and challenging cadet experience, based around flying and aviation and so inspire young people to learn and develop new skills.

Southmoor's CCF Section was first established in 2021 and is based in Southmoor House which acts as a training facility and command base for the section.

Pupils can apply to join the section in Year 9. Recruits will receive training from CCF Officers and School Staff Instructors and will earn themselves a uniform to wear on the day of their training sessions as well as the ability to earn cadet ranks.

Membership of the CCF (RAF) is exciting, rewarding and above all fun. Pupils will discover skills they never knew they had, do things and visit places they never thought they would, and meet lots of like-minded people who will become their team-mates and friends.

Pupils will also have the opportunity to challenge themselves with adventurous training, be selected to represent their country or school on the International Air Cadet Exchange programme, or develop potential on the Air Cadet Leadership Course.
