Enrichment AT SOUTHMOOR

Enrichment AT SOUTHMOOR

Reflecting our school motto 'Aspire, Achieve, Enjoy', experiences at Southmoor certainly do not end in the classroom. Our broad enrichment offer provides diverse opportunities for our students to 'Know More', 'Do More' & 'Go Further'. Explore this guide to see what is available this term to:

- ▶ Improve academic success
- ▶ Enhance learning and boost understanding
- ▶ Try something new
- ▶ Challenge personal aspirations
- ▶ Consider future learning & career pathways

Know More

Do More

Go Further

Communication

Self-Management

Creative Problem Solving

Collaboration

The Skills Builder Universal Framework is focussed upon how to build essential skills at every stage of life. These are the skills young people need to succeed in education and beyond into employment.

The framework underpins our progression strategy and has been successfully embedded throughout the Academy, with the skills fully integrated into academic aspects of learning and enrichment programme activities.

Know More

Enrichment activities linked to improving academic success, enhancing learning and boosting understanding.

FRI	

ENRICHMENT SPOTLIGHT: Combined Cadet Force (RAF)

The CCF (RAF) is the RAFAC section of the Combined Cadet Force. There are 230 RAF Sections with approximately 9000 cadets and 700 adult volunteers. The CCF (RAF) aims to offer an exciting and challenging cadet experience, based around flying and aviation and so inspire young people to learn and develop new skills.

Southmoor's CCF Section was first established in 2021 and is based in Southmoor House which acts as a training facility and command base for the section.

Pupils can apply to join the section in Year 9 . Recruits will receive training from CCF Officers and School Staff Instructors and will earn themselves a uniform to wear on the day of their training sessions as well as the ability to earn cadet ranks.

Membership of the CCF (RAF) is exciting, rewarding and above all fun. Pupils will discover skills they never knew they had, do things and visit places they never thought they would, and meet lots of like-minded people who will become their team-mates and friends.

Pupils will also have the opportunity to challenge themselves with adventurous training, be selected to represent their country or school on the International Air Cadet Exchange programme, or develop potential on the Air Cadet Leadership Course.

Do More

Enrichment activities linked to trying something new or enjoying hobbies, clubs or sports together.

	BREAK TIME	LUNCHTIME	AFTER SCHOOL

ENRICHMENT SPOTLIGHT: The Duke of Edinburgh Awards

The DofE programme is for 14 - 24 year olds that work at one of three progressive levels which, when successfully completed, leads to a Bronze, Silver or Gold Duke of Edinburgh's Award. At Southmoor we offer students the chance to work towards all three from Year 10 onwards.

There are four sections to complete at Bronze and Silver level and five at Gold. They involve helping the community/environment, becoming fitter, developing new skills, planning, training for and completing an expedition and, for Gold only, working with a team on a residential activity.

Any young person can do their DofE – regardless of ability, gender, background or location. Achieving an Award isn't a competition or about being first. It's all about setting personal challenges and pushing personal boundaries.

Through a DofE programme young people have fun, make friends, improve their self-esteem and build confidence. They gain essential skills and attributes for work and life such as resilience, problem-solving, team-working, communication and drive, enhancing CVs and university and job applications.

Go Further

Events, visitors and trips designed to inspire students, challenge their aspirations and think about their careers.
