TRANSITION PROGRAMME

YOUR FIRST STEPS INTO YR12

Welcome to Sixth Form

Transition Programme Week 2

- This is the final week where we will be exploring **generic** skills for A level study.

- Next week, we begin your subject specific work.

- Here at the Sixth Form @ Southmoor Academy – we find opportunities to learn in all circumstances – this is the essence of A levels – opening your mind to enquiry – always asking academic questions about any situation you find yourself in.

- Now is your chance to explore something you are truly interested in.

- Again, keep a record of what you are completing!

🏁 **Starter Task**

Remember This?

This question comes from Oxplore, **"The home of BIG Questions"**

Oxplore is an online platform run by Oxford University, to help you form opinions about interesting questions.

MORE BIG QUESTIONS THIS WAY

What should I do?

- Work through the questions – answer them by watching the videos/listening to the podcasts.

- What's your top fact? How did you vote? Why what is your reasoning for this - should we always see other people's points of view?

Resource 2

- Mirror article

- What does this tell us?

- Can we criticise the research in any way?

See you next week!
